the Fibonacci sequence is a naturally occurring phenomenon which demonstrates orderly, predictable and sustainable growth - core to the **Westbrooke Advantage**

Established in 2004, Westbrooke is a multi-asset, multi-strategy manager and advisor of alternative investment funds and co-investment platforms. We have a heritage as a shareholder and operator of assets and invest our own capital alongside our investors in Private Debt, Hybrid Capital, Real Estate and Private Equity in South Africa, the UK and the USA.

At Westbrooke Alternative Asset Management, we provide investors with a unique gateway to private market alternative investment opportunities which are traditionally difficult to access.

Investors benefit from the depth of experience and quality of our investment teams, who apply the Westbrooke Investment & Risk Philosophy and Approach in their daily dealings. This, together with our highly aligned financial interests, our heritage as an owner and operator of assets, our multi-decade track record of performance and our focus on capital preservation provides our investors with a unique advantage. **Invest with the Westbrooke Advantage**

private funding

Westbrooke is a leading provider of flexible funding solutions to lower–middle market companies, entrepreneurs, investment holding companies, alternative lenders, real estate and private equity sponsors across multiple sectors.

The business leverages our heritage as a shareholder and operator of assets to develop a comprehensive solution that best suits our partners' requirements.

We provide structured, flexible and innovative financing solutions to our partners across the capital structure to create / facilitate long-term value creation. Core to our strategy is collaboration and alignment with key partners.

real estate equity

Westbrooke is a direct real estate investor and debt / equity capital provider alongside real estate sponsors across the UK, USA and South Africa.

Our global portfolio includes multifamily residential, hospitality, last-mile logistics, mobile homes and student housing across the world.

Key to our philosophy is partnering alongside experienced, reputable, on-the-ground sponsors with deep local networks and decades of experience. We look for thematic and opportunistic real estate transactions where we see outsized return potential based on our fundamental analysis.

private equity

Westbrooke has invested group and investor capital across a range of industries including retail, FMCG, industrial and commercial product import and distribution, manufacturing, building materials, services and property.

With a heritage as an owner and operator of assets, Westbrooke acts as a strategic partner for growth, taking an active role in investee companies and supporting management to develop strategies for ongoing sustainable growth and the creation of value for investors. Over the last 20 years, we have helped transform privately owned businesses into industry-leading companies.
